

REBEL BEAT YOUTH MINISTRY

What is the Rebel Beat ? Look at the way Jesus *challenged* the norms of society and reached out to the outcasts and the unloved. He made his love and care available to *all* people . In small ways and big ways , the Rebel Beat youth carry on Jesus' revolutionary mission of love peace and justice. We think out of the box and step out of our comfort zones to be the hands, feet and heart of Jesus.

This Year's Theme

Rock the Boat

living out Jesus' mission of love, peace & justice

Jesus is God with us and Jesus' life and how he carried out his mission is an example for us to follow.

Jesus' mission of love peace and justice showed us Jesus' heart. Jesus' methods were ...**unconventional...** **unexpected...** **shocking.** And as followers of Jesus, we strive to carry on his mission.

Our methods are ...

unconventional (Pet Food Pantry) ,

unexpected (youth are in leadership roles),

and **totally shocking** (we love our neighbors for real and put that love into action).

Hence the Rebel Beat youth rock the boat.

The Rebel Beat youth program consists of faith based lessons/discussions and hands-on outreach projects.

The youth help create the content of our program and share leadership in all projects.
